### About IMPACT

The International Multilateral Partnership Against Cyber Threats (IMPACT) is the cybersecurity executing arm of the United Nations' specialised agency - the International Telecommunication Union (ITU). As the world's first comprehensive alliance against cyber threats, IMPACT brings together governments, academia and industry experts to enhance the global community's capabilities in dealing with cyber threats. Based in Cyberjaya, Malaysia, IMPACT is the operational home of ITU's Global Cybersecurity Agenda (GCA). As ITU's cybersecurity executing arm, IMPACT provides ITU's 192 Member States access to expertise, facilities and resources to effectively address cyber threats, as well as assisting United Nations agencies in protecting their ICT infrastructures.
